USB-C Universal Quad 4K Display Adapter with PD pass-thru

Customizable USB-C to Quad HDMI – 4K monitors adapter

This USB-C Universal Quad 4K Display Adapter with PD pass-thru enables seamless content expansion to up to four 4K60Hz HDMI displays through a single USB-C port. Compact and powerful, it supports crystal-clear video output for dashboards, presentations, or multimedia playback. The PD pass-thru feature delivers up to 90W charging for your laptop while maintaining full display functionality. With a portable design and strong compatibility, it's an ideal solution for multitasking professionals.

Features

- **Quad 4K Display** Connect up to four HDMI displays at 4K@60Hz.
- **Single USB-C Connection** Expand your workspace through one USB-C connection.
- **90W PD Pass-Through** Charge your laptop with up to 90W PD 3.0 pass-through.
- **Dual Power Modes** Supports both bus-powered and self-powered operation.
- **Multi-OS Compatibility** Compatible with Windows 10 or later, macOS, ChromeOS, and Android.
- **Compact Design** Portable housing with a built-in 30cm USB-C cable.
