USB-C Universal Quad 4K Display Adapter with PD pass-thru & USB-CtoA Adapter & two-bracket design

Customizable USB-C to Quad HDMI – 4K monitors adapter

The USB-C Universal Quad 4K Display Adapter with PD pass-thru & USB-CtoA Adapter & two-bracket design offers a streamlined solution for extending your content across four 4K displays via a single USB-C connection. Featuring four HDMI ports that support up to 4K60 resolution, it enables crystal-clear video output and real-time dashboard displays for enhanced visual performance.

Features

- **Quad 4K HDMI Output** Connect up to four HDMI displays at 4K@60Hz.
- **USB-C and USB-A Connectivity** Connect to USB-C or USB-A hosts using the built-in cable and adapter.
- **Up to 90W PD Charging** Supports PD 3.0 pass-through charging for compatible USB-C laptops.
- **Dual Power Modes** Supports both bus-powered and self-powered operation.
- **Multi-OS Compatibility** Compatible with Windows, macOS, ChromeOS, and Android.
- **Rugged Mounting Design** SECC housing with two mounting brackets supports secure installation.
