USB-C 9-in-1 Multiport Dock

Customizable USB-C Multiport Dock - triple 4K - PD85W

The USB-C 9-in-1 Multiport Dock is a compact yet powerful dock with multiport design, making it an ideal choice for both travel and hybrid work environments. With two DP ports and one HDMI port, it allows you to extend your content to three monitors, each offering a 4K30Hz resolution, ensuring exceptional multi-display to enhance your productivity.

Features

- **Extends content to three monitors (2 DP and 1 HDMI) at 4K30Hz**
- **Offers abundant USB-A and USB-C ports for versatile connectivity**
- **Built-in Ethernet RJ45 ensures stable, reliable networking**
- **Supports up to 85W PD charging for your laptop**
- **Compact design ideal for travel and hybrid work environments**

Specifications

Model	DUD7220
